

Dear Clyde-Savannah Parents/Guardians,

It is hard to believe that August is here and school resumes in less than three weeks. It is my pleasure to be able to extend a sincere welcome to the newest members of the Clyde-Savannah High School family, the Class of 2022, as well as to the returning sophomores, juniors and this year's graduating seniors!

As with any new school year, we have some changes. The high school schedule has been slightly changed and now includes an additional instructional period which is 8<sup>th</sup> period. Student dismissal has also been modified and students will be released at 2:34pm.

We are also excited to have the following staff members join us for the new school year:

**Social Studies – Mr. O'Sullivan**

**Math – Mrs. Bechard**

Parents will have the ability to regularly check their child's progress on-line. The new parent portal is available so please visit the school district webpage for information. You will also find the latest district news, information, an interactive calendar, sports schedules, lunch menus, and more on the district website at [www.clydesavannah.org](http://www.clydesavannah.org).

As always, my door is open so please let me know any areas of concern that you have with your child or the school. It is important that we do not let any concerns linger, as many of these concerns can often be corrected if they are addressed early on. If you have any questions, please feel free to contact me at (315) 902-3050 or email me at [craig.pawlak@clydesavannah.org](mailto:craig.pawlak@clydesavannah.org).

I thank you for your support and cooperation in the past, and I value its continuation into the future. Our ability to provide your child with the best possible education is dependent on the communication, cooperation, and support that we provide each other.

I hope you enjoy the remainder of the summer, and I am looking forward to the return of our students on **Wednesday, September 5, 2018**.

Sincerely,

Craig Pawlak

OVER 

**Mission Statement:**

The mission of the Clyde-Savannah High School is to provide college and career preparation learning opportunities that ensure each student is developing the skills and strategies needed to achieve excellence and become respectful, responsible citizens of a global society.

**Vision Statement:**

Clyde-Savannah High School will be a rigorous, dynamic and supportive learning environment that graduates responsible, innovative and productive citizens with academic, life and career skills through collaboration among parents, community and a highly qualified staff implementing curriculum that challenges and prepares students for a 21<sup>st</sup> century world.

*Save The Date:*

**OPEN HOUSE**  
**Thursday, October 18 @ 6pm**
