

Student Parking

Students who plan on driving to school and parking in the school parking lot must read and submit the information. Students must register their vehicle with the school and abide by the rules and regulations associated with this student privilege. Students who wish to drive to school must submit a copy of their driver's licence and insurance card, along with the signed student parking rules and regulations form which follows, to the high school main office.

It is important that parents and students review the following Rules and Regulation for student parking along with associated consequences for violations. Students and parents must both sign and return the form prior to a student parking spot and sticker being assigned.

If you have any questions regarding student parking, please do not hesitate to contact Larry Lang at 315-902-3000 ext. 42118 or email at larry.lang@clydesavannah.org.
